Mayor Loughmiller called for Council and Manager Comments.

Council member Day stated that we live in a community that was selected by Money Magazine over the last four years as one of the best cities in the nation. This week on Realtor.com McKinney Texas had the second highest hits on their website in the nation. We are one of the fastest growing cities in the nation, known for good schools, known for being one of the safest cities in Texas, we have a AAA bond rating (which is better than the federal government), we have balanced our budget every year, we haven't raised taxes, our employees' pensions are fully funded, we have a thriving downtown, we have a number of corporations that are moving to our city, and we have low unemployment. Mr. Day stated that when he looks at all this, we are one of the best

managed cities in the nation. "I am proud to be a part of this Council and I am proud to be a member of this community."

Council member Kever stated recently the Eldorado Homeowner's Association had a column entitled "Take Pride in McKinney." McKinney has earned the Platinum Scenic City Certification from the Scenic City Certification Program. McKinney was the first Texas City to receive the certification on the first application and are only one of six cities to earn this designation in 2013. We are one of the fourth best cities for job seekers, highest medium income growth rate in the United States, 100 best communities for young people, and number two on Money Magazine's Best Places to Live. These are all reasons to celebrate as we close out 2013 and look ahead to 2014. Ms. Kever expressed her thanks to all City employees that responded to the ice storm last week. Ms. Kever wished everyone a Merry Christmas and a Happy New Year.

Council member Pogue wished everyone a Merry Christmas, a Happy New Year, and be safe.

Council member Harris thanked the Rotary for the Parade of Lights last weekend in downtown. Mr. Harris expressed his appreciation to everyone for all the holiday festivities down on the square. Mr. Harris thanked McKinney Economic Development Corporation for the 20th Anniversary reception last week. Mr. Harris stated that as we look back over 2013, we have a lot of great accomplishments. Mr. Harris thanked everyone who contributed to the completion or execution of these projects. Mr. Harris thanked the citizens for opportunity to serve them, staff for their hard work and diligence during the year, and to my colleagues on the dais. Happy holiday season and a prosperous New Year.

Mayor Pro-Tem Ussery announced that upcoming events at MPAC include Pam Tillis performing tomorrow at 8 p.m., last chance to see Santa will be noon on Friday, and the Polar Express movie will be on Saturday at 2:00 p.m. Mr. Ussery congratulated Ty Lake on her promotion to her new role within the City Manager's office. Congratulations to Ty's successor Amy Rosenthal and wish her well in her new role as the MPAC/Main Street Director. Mr. Ussery thanked City staff for what they do day in and day out. For the employees who worked tirelessly to removing trees and clear streets, your efforts did not go unnoticed. Merry Christmas to one and all.

Mayor Loughmiller thanked Rotary for the phenomenal parade that the welcome addition of the high school bands and a total of 67 floats. Mr. Loughmiller reminded anyone who is interested to attend the Christmas Journey at the 1st Baptist Church. Mr. Loughmiller thanked wished Staff a Merry Christmas and a Happy New Year. Staff puts in a lot of hours which makes the City great and it is appreciated. Mr. Loughmiller stated that the efforts of the street crews, police and fire during the last ice storm is recognized and appreciated. Mr. Loughmiller recognized the residents who contribute to the accolades that the City is receiving. We have some of the friendliest people in McKinney and it bodes well when others like Money Magazine come to McKinney. Today we were listed in MSN Real Estate as the second most popular neighborhoods for 2013. "McKinney is fabulous, and one of the Nation's growing communities that offers a quieter small town style of living yet it is only 30 miles north of downtown Dallas. That proximity really doesn't matter because there are jobs all over Dallas and Collin County spread out in depots like the telecom corridor in Plano, Frisco, Richardson, and Arlington. McKinney boasts charm, safety, and great schools. McKinney is a place to watch carefully in the future for incredible growth."

City Manager Gray thanked on behalf of Staff to the Mayor and Council for their kind comments in regards to the work that the City staff is doing. This is a very talented and dedicated staff and I certainly appreciate the work that they do. In wake of the ice storm there are some folks that are trying to take advantage of our citizens. Mr. Gray stated that he wanted the citizens to be aware of crews misrepresenting themselves as being associated with the City to receive compensation to remove and haul away limbs and brush. The citizens should realize that as part of our solid waste contract, these will be picked up at no charge.

Mayor Loughmiller recessed the meeting into executive session at 7:29 p.m. per Texas Government Code Section 551.071 (2).
